

## **Kennerlys named Best Accounting Firm in its category at BRW 2013 Client Choice Awards**

### **Exceptional client service puts Kennerlys at the top**

**Perth, 14 March, 2013—** Kennerlys, a dedicated provider of taxation, superannuation and Enterprise Development Services, was last night named the best accounting firm (with revenue less than \$50m) at the *Business Review Weekly* (BRW) 2013 Client Choice Awards.

The awards event, held at the Westin Hotel, Sydney, is the result of the largest annual, independent study of clients of professional services firms in the world, conducted by Beaton Research & Consulting for BRW.

Kennerlys clients provided researchers with quantitative feedback and testimonials about their high degree of satisfaction with the firm — especially Kennerlys expertise and client dedication — enabling Kennerlys to win the award for its category.

“We’ve always been committed to providing the best service for our clients and to be recognised for our work and dedication at these awards is an absolute honour and privilege,” said Lejo Ouwendyk, Managing Director, Kennerlys. “We couldn’t have won this award without the support of our clients and on behalf of the entire Kennerlys team, I wish to thank them deeply for their assistance and loyalty.”

Beaton Research & Consulting says the BRW Client Choice Awards are “the most prestigious awards for professional service firms in Australia” as they are determined by the views of the people who matter most – a firm’s clients.
